SUMMARY

Senior Instructional Designer with 10 years of experience designing, reviewing, and optimizing learner-centered educational content across K–12, teacher development, and digital learning environments. Expertise in blueprinting, storyboard review, assessment design, and applying pedagogical frameworks including Bloom's Taxonomy, 5E Instructional Model, and Gradual Release of Responsibility. Proven ability to collaborate with SMEs, project managers, and cross-functional teams to deliver scalable, high-quality learning experiences aligned to measurable learning outcomes.

EXPERIENCE

LEAD LEARNING DESIGNER

LearningMate Apr 2025 – Aug 2025 | Remote

- Led instructional design for U.S.-aligned K–12 programs; ensured consistency across modules and adherence to pedagogical standards.
- Developed and reviewed instructional assets across multiple learning modules for U.S.-aligned programs, ensuring consistency and learner engagement.
- Designed Bloom's Taxonomy-aligned assessments and capstone projects targeting higher-order thinking and skill application.
- Ensured alignment with accessibility standards, Universal Design for Learning (UDL), and inclusive design principles.
- Mentored designers and collaborated with SMEs to refine instructional strategies.

SENIOR CURRICULUM ARCHITECT

LEAD School Jan 2025 – Mar 2025 | Remote | Contract
