- ♦ **4500+** content decks / 100+ chapters
- ♦ Performer of the Month — Oda Class
- ♦ **120–130%+** sales target achievement
- ♦ IEEE & Neurorobotics publications

Profile

Results-driven Business Unit Manager and Program Leader with **5+ years in EdTech**, driving **₹30+ Crores** in total revenue. Expert in end-to-end program management, business operations, sales funnel optimization, and cross-functional team leadership. Proven at scaling programs from zero to revenue, building academic delivery systems, and leading teams across sales, academics, customer success, and product. Equally effective as an individual contributor and as a strategic leader — combining analytical depth with hands-on execution.

Work Experience

Business Unit Manager

Feb 2025 – Present

SISYA Class · Visakhapatnam

- Launched and scaled flagship B2B & B2C programs generating **₹80 Lakhs in Year 1** — as one of the first 3 core team members.
- Established **15+ school partnerships (MOUs)** and sustained **80% student retention** across multiple programs.
- Led end-to-end business unit operations spanning academics, inside sales, customer success, product development, and training.
- Drove **25+ product & feature enhancements** through cross-functional collaboration with technology, sales, and marketing teams.
- Optimized webinar funnels, lead conversion processes, and post-sales engagement — improving pipeline efficiency and revenue predictability.
- Contributed to organizational strategy, expansion initiatives, and partnership development at the leadership level.
- Launched 8 programs: Math Champ, Summer Camp, SISYA Smart, Topper Program, Bridge Course, Booster Courses, Revision Series, JEE/Vedic Math Masterclasses.

Program Manager & Master Teacher — Mathematics

Jun 2024 – Feb 2025

Oda Class (Pigeon Education) · Bengaluru

- Drove **₹4 Crores monthly revenue** from Bridge Course as Business Unit Program Manager.
- Personally generated **₹5.6 Crores in webinar revenue**, including ₹2 Crores through live webinar sales.
- Doubled Long-Term Course conversions (**100%+**) via systematic funnel optimization and conversion strategy improvements.
- Managed **80+ mentors and 7 Master Teachers** across short-term and long-term program delivery.
- Achieved **₹7 Lakhs average weekly live sales**; maintained **95%+ attendance** across Long-Term Course delivery.
- Designed student retention systems achieving **60%+ retention**; recognized as **Performer of the Month** in first month.

TOOLS & TECH

- ✦ **Analytics:** Excel, Google Sheets, Power BI, Tableau, Python, SQL
- ✦ **Productivity:** LMS Platforms, Canva, G-Suite

Work Experience (continued)

Mathematics Faculty

Jamboree Education · Hyderabad

Nov 2023 – Jun 2024

- ✦ Consistently exceeded sales targets by **120–130%+** through conversion-focused demo sessions and personalized student counseling.
- ✦ Taught GMAT, GRE, and SAT Mathematics across online and offline formats; created content and post-class preparation strategy guides.
- ✦ Converted prospective students and working professionals through targeted demo sessions.

Academic Centre Head & Mathematics Faculty

BYJU'S · Pune

Dec 2021 – Nov 2023

- ✦ Managed faculty and service counsellors; conducted student orientations, bridge sessions, PTMs, and retention initiatives.
- ✦ Leveraged **Google Sheets and Tableau** to analyze attendance, assessment performance, and engagement — enabling data-driven academic interventions.
- ✦ Contributed to development and rollout of internal platforms: **Tutor Portal, Assessed, and ASBeta**.
- ✦ Created benchmark training content adopted as reference material for tutor onboarding and quality assurance.
- ✦ Conducted quality audits of tutor sessions to uphold teaching standards and performance benchmarks.

Guest Lecturer

SVCAET, IGKV · Raipur

Mar 2021 – Sep 2021

- ✦ Taught engineering and AutoCAD online/offline; designed question papers selected for official university examinations.
