

PALLAVI DHALL

Program Manager

pallavidhall141@gmail.com | 9911165747 | Delhi

PROFESSIONAL SUMMARY

Results-driven Project Manager with 2+ years of experience leading end-to-end programs in the EdTech space. Demonstrated success in managing complex, multi-stakeholder projects—including international academic competitions – with a focus on timelines, quality, and measurable outcomes. Skilled in defining project scope, tracking KPIs, mitigating risks, streamlining workflows, and driving cross-functional team performance. Combines a strong analytical foundation (Economics background) with hands-on operational expertise to deliver consistent results.

WORK EXPERIENCE

98thPercentile

July 2023–May 2026

Program Manager

- Achieved 98% national rank holders in Math Kangaroo, international math competition by building the program end-to-end– market research, pricing, class structure, curriculum design, teacher training, and quality assurance.
- Conducted mock tests and led exam execution as Centre Head for 200+ students.
- Launched AMC 8 prep classes from scratch, replicating the full program lifecycle successfully.
- Designed all SOPs for the escalation department; conducted end-to-end RCA on escalations and drove process corrections across multiple departments.
- Led a team of 4 to deliver 515 Teaching Resources within 4 months with 100% quality check.
- Improved promo conversion from 35% to 45% and retention from 72% to 85% within a month through targeted teacher training, RCA on lost cases, and process fixes.

98thPercentile

Sept 2021– June 2023

Math Teacher

- Delivered mathematics instruction across Grade 4 to MA2, ensuring curriculum alignment and engaging lesson delivery.
- Awarded the Excellence Award for maintaining a 90% promo conversion rate and 80% retention rate by making my classes more engaging & maintaining the relationship with the parents.
- Conducted Math Kangaroo classes, producing the national rank #1 holder and 90% of students finishing in the top 30 national ranks.

UCMAS

Dec 2018– July 2021

Abacus Teacher

- Trained students in Abacus and coached them for State, National, and International competitions through structured practice plans and mock tests.
- Monitored student progress through regular assessments and customized training based on individual learning pace.

Education Mission Buniyaad | New Delhi

Intern

- Contributed to the implementation of Delhi government's flagship 'Mission Buniyaad' program by identifying ground-level challenges, resolving school issues, and supporting teachers to improve student learning outcomes.
