EXECUTIVE SUMMARY

Academic Program Manager and Senior Chemistry Educator with **8+ years of experience** driving **academic excellence, program execution, and student outcomes** across EdTech platforms, coaching institutes, and government initiatives. Proven track record of **scaling enrollments by 2.5X (200→500+)**, managing **150–200 students per batch**, and impacting **10,000+ learners**. Combines deep **subject expertise (NEET & Olympiad Chemistry)** with **program management, faculty leadership, and data-driven academic systems** to deliver high-performance learning environments at scale

CORE SKILLS

- Academic Program Management & Operations
- NEET & Olympiad Chemistry Training
- Learning & Development (L&D)
- Instructional Design & Curriculum Strategy
- KPI Tracking & Performance Analytics
- Student Engagement & Retention Strategy
- Faculty Management & Team Leadership
- Content Strategy (DPPs, Tests, Modules)
- LMS & EdTech Platforms
- Blended Learning (Online + Offline)
- Stakeholder & Cross-functional Coordination

TOOLS & TECHNOLOGIES

- LMS Platforms
- Google Sheets (Analytics & KPI Tracking)
- LaTeX
- Canva
- OBS Studio
- MS Word / Google Docs / Google Slides

PROFESSIONAL EXPERIENCE

LECTURER IN CHEMISTRY

NEW LIGHT INSTITUTE || MAR 2026 – PRESENT

- Delivering **NEET-focused Chemistry programs** to batches of **150–200 students**
- Driving **academic outcomes** through structured delivery and performance tracking
- Improved **test score consistency by ~35%** and reduced **error rates by ~40%**
- Implemented **micro-assessment frameworks** and **rapid feedback systems**
- Designed **revision and reinforcement strategies** aligned with **NEET patterns**
- Leveraging **student analytics (tests, engagement, attendance)** for targeted interventions

ASSISTANT LECTURER

AAKASH EDUCATIONAL SERVICES LIMITED || AUG 2025 – MAR 2026

- Delivered **high-impact OLYMPIAD's Chemistry sessions** in a structured academic ecosystem
- Managed **large cohorts (150+ students)** ensuring engagement and discipline
- Improved **doubt resolution efficiency by ~30%** through process optimization
- Supported **assessment design, evaluation systems, and performance tracking**
- Collaborated with faculty teams to maintain **curriculum consistency and outcomes**

ACADEMIC HEAD FOUNDATION

PHYSICSWALLAH LIMITED || APR 2024 – AUG 2025

- Led **end-to-end academic program management** including planning, execution, and monitoring
- Managed **faculty teams and multi-batch academic operations (150–200 students per batch)**
- Designed **curriculum frameworks, schedules, and KPI-based tracking systems**
- Improved **student engagement by ~45%** and **reduced dropout rate by ~25%**
- Built **structured academic processes** for delivery, evaluation, and quality control
- Conducted **faculty training, mentoring, and performance reviews**
- Collaborated with **content, product, and operations teams** for scalable program delivery

PROJECT MANAGER & CHEMISTRY LECTURER

MUKHYAMANTRI ABHYUDAYA YOJANA || JUL 2022 – APR 2024

- Managed **large-scale academic program execution** under a government initiative
- Delivered **NEET/JEE Chemistry training** in blended learning environments
- Increased **student participation by ~50%** through structured engagement strategies
- Implemented **weekly reinforcement and retention models**
- Coordinated with **stakeholders, faculty, and administrative teams**
- Ensured **consistent and scalable academic delivery across batches**

OLYMPIAD CHEMISTRY FACULTY

MOTION EDUCATION PVT. LTD. || AUG 2021 – JUL 2022

- Delivered **advanced Chemistry training** for Olympiad and competitive exams
- Designed **HOTS-based problem sets and assessments**
- Improved **multi-concept problem-solving accuracy by ~30%**
- Developed **analytical thinking and exam readiness**

DOUBT SOLVER & TEAM LEADER

VEDANTU ONLINE EDUCATION || APR 2018 – AUG 2021

- Resolved **1000+ doubts with high accuracy**
- Reduced **resolution time by ~35%**
- Led a **team ensuring consistent academic support quality**
- Used **LMS tools** to track student learning trends
- Maintained high student satisfaction and engagement levels

KEY ACHIEVEMENTS

- Achieved **2.5X enrollment growth (200 → 500+)**
- Trained **10,000+ students across NEET, Olympiad, and foundation programs**
- Managed **150–200 students per batch consistently**
- Improved **student performance consistency by 30–40%**
- Increased **engagement metrics by up to 45% and reduced drop-off by 25%**
- Built **scalable academic systems integrating content, delivery, and analytics**

EDUCATION

- **MBA in OPERATION MANAGEMENT** (Pursuing) – Integral University , LUCKNOW
- Diploma in Elementary Education – **District institute of Education & Training , Raebareli**
- **B.Tech Hons. (Mechanical Engineering)** – AKTU , LUCKNOW

LANGUAGES

- **Hindi (Native)**
 - **English (Professional Proficiency)**
