PROFESSIONAL EXPERIENCES

Magic Billion

June 2025 till Nov 2025

(Unit of TGM Services Pvt Ltd.)

GM- OPERATIONS

- **Strategic Support:** Collaborate closely with the CEO/COO to design develop and execute strategic plans for optimizing training programs and candidate engagements targeting the Indian youth demographics. Devise initiatives to enhance customer engagement, satisfaction, and successful outcomes for program participants.
- **Program Development and Enhancement:** Lead the development and enhancement of upskilling and training programs, ensuring they are tailored to the needs of the Indian youth market. Stay abreast of industry trends and incorporate innovative approaches into program design to ensure 90% success in the first attempt of assessments conducted. Training Team will report to you.
- **Customer-Centric Approach:** Infuse a customer-centric mindset into all aspects of training, program design and delivery, understanding and addressing the unique needs and aspirations of Indian youth. Lead initiatives to build and maintain strong relationships with candidates, ensuring a positive and impactful experience throughout their upskilling journey. Gather customer feedback to continuously improve and iterate on training programs.
- **Partnership and Collaboration:** Identify and establish partnerships with relevant stakeholders – internal and external, including educational institutions, industry experts, and technology providers, to enrich the training offerings. Collaborate with external organizations to enhance the reach and impact of upskilling initiatives. Contribute to brand-building efforts to establish Magic Billion as a leader in the International Talent Mobility industry
- **Data-Driven Decision Making:** Utilize data analytics to assess the effectiveness of training programs and customer engagement strategies for Indian youth. Provide regular reports and insights to the CEO/COO, recommending adjustments as needed.
- **Operations and Project Management:** Oversee the successful implementation of upskilling projects, ensuring alignment with strategic objectives and timelines. Collaborate with cross-functional teams to deliver high-quality training experiences.
