PROFESSIONAL SUMMARY

Strategic Learning & Development leader with 5+ years of experience in building and scaling high-impact training functions within EdTech. Proven expertise in designing learning strategies, leading trainer capability development, and driving measurable business outcomes such as improved learner engagement and demo-to-enrollment conversion.

Experienced in working with global markets (UK, US, Middle East), collaborating with leadership, and leveraging data and AI-driven insights to optimize learning effectiveness. Strong track record of building L&D systems from scratch and aligning learning initiatives with organizational growth.

CORE COMPETENCIES

L&D Strategy & Leadership

Learning Strategy | Capability Building | Leadership Development | Training Function Setup | Learning Roadmaps

Program & Performance Management

OKRs & KPIs | Program Scaling | Performance Analytics | Continuous Improvement | Quality Assurance

Trainer Development & Enablement

Train-the-Trainer | Coaching Frameworks | Classroom Observations | Feedback Systems | Demo Excellence

Stakeholder Management

CXO Collaboration | Cross-functional Alignment | Change Management | Team Leadership

Tools & Technology

Power BI | LMS Platforms | Generative AI | Zoom | Data-driven Decision Making

PROFESSIONAL EXPERIENCE

Associate Manager – Learning & Development

Jan 2025 – Present

- Built and scaled the Learning & Development function from ground up, aligning training strategy with business goals
 - Partnered with leadership to design capability-building initiatives impacting teacher performance and learner outcomes
 - Designed and implemented structured onboarding and continuous development programs for educators
 - Conducted 2000+ audits, mock sessions, and coaching interventions to improve teaching quality
 - Developed frameworks to improve demo-to-enrollment conversion through training interventions
 - Led and mentored cross-regional training teams, driving consistency and scalability
 - Implemented AI-enabled workflows to enhance training efficiency and content standardization
 - Built Power BI dashboards to track performance metrics and inform strategic decisions
-

Senior Associate – Training & Development

Sept 2023 – Dec 2024

- Managed training programs across UK, US, and Middle East curricula
 - Designed onboarding and upskilling journeys for educators
 - Collaborated with operations to identify performance gaps and implement targeted interventions
 - Supported curriculum rollout with training alignment to regional standards
-

Academic Specialist | BYJU'S – Mentor Match

Mar 2022 – Sept 2023

- Delivered 1000+ live sessions ensuring high engagement and learning outcomes
 - Built strong parent communication channels to improve retention and satisfaction
 - Leveraged learner data to personalize teaching approaches and improve effectiveness
-

KEY ACHIEVEMENTS

- Built L&D function from scratch impacting large-scale educator performance
 - Conducted 2000+ quality audits and coaching sessions
 - Improved teaching consistency across global markets
 - Introduced data-driven and AI-enabled learning systems
 - Strong focus on improving business metrics through training (conversion, engagement, retention)
-

EDUCATION

- **M.Sc Physics**, BIT Mesra (2017–2019)
 - **B.Ed** (2019–2021)
-

CERTIFICATIONS

- Generative AI Mastermind – Outskill
 - STEM Education Certification
 - CTET 2021 – Qualified (Paper I & II)
-

ADDITIONAL VALUE

- Expertise in aligning L&D with revenue and business outcomes
- Experience in fast-scaling EdTech environments
- Strong blend of pedagogy, data, and business understanding.
