Education Background

- University Of Mumbai-Pillai college
Bachelor of Education
Completed in 2024
- University of Mumbai- KBP College,
Master of science
Completed in 2019
- University of Mumbai –G.N Khalsa College
Bachelor of Science, Microbiology
Completed in 2017

Achievements

- **Student Editor – Monthly Science Newsletter**
- Won debate on Use of Alternative Energy source
- Completed Scout/Guide Training
- Elementary and Intermediate Drawing Exam

About Me

Dedicated and innovative STEAM Curriculum Developer and Trained Teacher with professional experience across ICSE and IB school environments. I design inquiry-based, interdisciplinary learning experiences that integrate Science, Technology, Engineering, Arts, and Mathematics (STEAM), enabling students to explore concepts creatively and meaningfully. Drawing from experience across multiple schools like, I create inclusive, student-centered curricula that support diverse learning styles, encourage collaboration and reflection, and build student confidence through hands-on, real-world learning.

Work Experience

Main STEM Educator – OLL-GD Somani – Present

- Lead project-based learning that connects robotics concepts to real-world
- Mentor students for school and external competitions, including GRACE, IIT competitions
