PROFESSIONAL SUMMARY

Motivated education and STEM professional with hands-on experience in school coordination, teacher training, ATL/STEM lab management, and educational program implementation. Experienced in working closely with school leadership, teachers, and stakeholders to improve learning environments and operational systems. Skilled in conducting capacity-building sessions, managing educational initiatives, supporting institutional growth, and promoting experiential learning aligned with NEP 2020. Strong communication, leadership, documentation, and coordination abilities with a commitment to building impactful and student-centered educational ecosystems.

PROFESSIONAL EXPERIENCE

Assistant Manager – Robotics | Edusoft Robotix

March 2025 – Present

- Managing robotics and STEM education programs across partner schools.
- Conducting teacher training workshops on robotics, AI, coding, and innovation-based learning.
- Coordinating with principals, teachers, and school management for smooth implementation of STEM initiatives.
- Supporting planning and execution of workshops, exhibitions, and educational events.
- Maintaining operational records, reports, and institutional documentation.
- Assisting in improving student engagement through project-based and experiential learning activities.
- Supporting school branding and outreach through educational demonstrations and training programs.

Area Manager – STEM Labs | BeyondSkool

January 2024 – March 2025

- Supervised STEM lab operations and implementation across multiple schools.
- Mentored teachers and provided academic support for activity-based learning programs.
- Conducted classroom observations, training sessions, and refresher workshops.
- Coordinated with school leadership teams to improve academic and operational effectiveness.
- Supported documentation, reporting, and monitoring of school performance activities.
- Assisted in planning school events, STEM exhibitions, and student innovation activities.
- Ensured timely coordination between schools, management teams, and technical staff.

Cluster Head – ATL Labs | Sumangal Foundation

March 2022 – January 2024

- Managed and monitored Atal Tinkering Labs (ATL) across assigned schools.
- Conducted robotics, electronics, coding, and innovation sessions for students and teachers.
- Supported teachers through mentorship, training, and technical guidance.
- Coordinated with school authorities and stakeholders for effective lab functioning.
- Organized workshops, competitions, exhibitions, and awareness programs.
- Assisted in operational planning, reporting, and implementation of educational initiatives.

- Promoted innovation, teamwork, and leadership among students through hands-on learning.

EDUCATION

Qualification	Institution	Percentage
Computer Science Engineering	Dr. A.P.J. Abdul Kalam Technical University	75%
Craft Instructor Training Scheme (CITS)	National Skill Training Institute Mumbai	85%
Intermediate – UP Board		79%
High School – UP Board		87%

KEY SKILLS

- School Development & Coordination
- Teacher Training & Mentorship
- Academic Planning & Monitoring
- STEM & Robotics Education
- ATL Lab Management
- Capacity Building
- School Operations Support
- Stakeholder Management
- Documentation & Reporting
- Workshop & Event Coordination
- Leadership & Team Management
- Communication & Public Speaking
- Project-Based Learning
- NEP 2020 Awareness
- Educational Program Implementation

ACHIEVEMENTS

- Successfully managed and coordinated STEM and ATL programs across multiple schools.
- Conducted robotics and teacher training workshops for educators and students.
- Played an active role in promoting innovation and experiential learning in schools.
- Supported school leadership teams in improving STEM education implementation.
- Recognized for effective coordination, leadership, and communication during educational programs and workshops.
- Contributed to student engagement through hands-on robotics and innovation projects.

LANGUAGES

- Hindi – Fluent
- English – Working Proficiency
