

Md Amir Khan

[Email: maksaphira@gmail.com | Phone: +91 7717733493 | Location: Jharkhand, India]

Objective

Dynamic and result-oriented professional seeking to leverage my expertise in robotics, mechanical engineering, and education to contribute to an innovative organization. Passionate about fostering learning and implementing cutting-edge technology solutions.

Skills

- Excellent communication and leadership abilities.
- Skilled motivator with proven teamwork capabilities.
- Proficient in Microsoft Office (Excel, Word).
- Expertise in robotics, AI, and machine learning tools.
- Curriculum development and quality assurance in education.

Professional Experience

QA Manager & Faculty Trainer

Techvein IT Solution Pvt. Ltd., Kolkata, West Bengal | November 2024 – Present

- Develop and implement training programs for educators in robotics and AI.
- Oversee curriculum quality and ensure alignment with industry standards.
- Foster continuous improvement to prepare students for success in cutting-edge technologies.

Robotics Trainer

Delhi Public School, Gaya, Bihar | May 2023 – October 2024

- Designed and delivered an engaging robotics curriculum for grades 8 to 12.
- Guided students in AI and robotics projects, encouraging participation in competitions.
- Created lesson plans focused on hands-on learning and innovation.

Robotics Instructor

BrightChamps (RoboChamps), Remote | April 2023 – Present

- Taught robotics, AI, and machine learning using platforms such as Pictoblox and Quarky.
- Conducted interactive online sessions to nurture technical skills in students.

Robotics Educator

Doon Public School, Satkira Topchanchi | April 2021 – May 2023

- Taught robotics to classes 5 to 9, incorporating LEGO microcontroller kits and 3D printing.
- Managed school operations, including timetables, examinations, and discipline.

HOD Physics

St. Thomas High School, Topchanchi Jharkhand | June 2020 – April 2021

- Taught Physics (class 9 to 12) and Maths (class 10 to 12)

Lecturer

Suresh Gyan Vihar University, Jaipur Rajasthan | October 2018 – February 2020

- Coordinated departmental activities such as timetables and national events.
- Served as Placement Coordinator and Head of Quality Assurance.

Operations Head

Haritsons Design PVT. LTD., Jaipur Rajasthan | May 2017 – September 2018

- Daily Inventory, MIS and Logistics.

Education

- B.Tech in Mechanical Engineering, Suresh Gyan Vihar University, Jaipur | CGPA: 7.69
- Class 12th, Sri Chaitanya, Vizag, AP | Percentage: 87.6% (CBSE)
- Class 10th, JLNM Sr. Sec. School, Dhanbad, Jharkhand | CGPA: 8.2 (CBSE)

Projects

- Off-Road Tilting Vehicle: Led a team to modify a two-wheeler into a quad bike with an independent suspension system.
- Automatic Page-Turning Robot: Designed for handicapped users using machine learning.
- Human Follower Robot: Developed using ultrasonic sensors and LEGO Mindstorms microcontroller.
- Global IoT Switch: Built to control multiple devices remotely.
- Assistive Devices for the Visually Impaired: Created spectacles and sticks with ultrasonic sensors integrated with Arduino.
- Aquaponics New Gen Plantation: Guided students for ATL Marathon 2022-23 project, ranked in the top 100.
- WRO Virtual Round: Mentored students to win a Bronze medal in robotics.

Extracurricular Activities

- Organized events such as C3W, Diwali Utsav, and technical fests (AAYAM).
- Won the Robo War competition at VIT Jaipur 2016.
- Active participation and leadership roles in college technical fests and community events.

Personal Details

- Father's Name: Md Alam Khan
- Mother's Name: Shabana Begam
- Date of Birth: September 2, 1996
- Gender: Male
- Nationality: Indian
- Languages: English, Hindi, Urdu

Declaration

I hereby declare that all the information provided is true to the best of my knowledge.
