KOMAL HINDUJA

SENIOR INSTRUCTIONAL DESIGNER | LEARNING & DEVELOPMENT SPECIALIST | CTE EXPERT

PROFESSIONAL SUMMARY

Award-winning Learning Specialist and Senior Instructional Designer with 10+ years of experience in Curriculum Development, Facilitation, and Educational Technology. Extensive expertise in the K-12 US Education System and Career and Technical Education (CTE) pedagogy. Proven track record of serving as an instructional anchor, overseeing the quality of critical instructional artifacts, mentoring IDs on SME-led development models, and leveraging modular design for scalable learning solutions.

PROFESSIONAL EXPERIENCE

Instructional Designer (Short-Term Project)

Ixia Solutions Ltd.

March 2026 - May 2026

- Designed self-contained, objective-driven modules for middle and high school Career and Technical Education (CTE) and the K-12 US Education System, specifically tailored for Edmentum.
- Applied pedagogical best practices, demonstrating proficiency in the 5E Instructional Model and the Gradual Release of Responsibility to ensure robust learning outcomes.
- Developed and structured core instructional content aligned with state-specific CTE frameworks (e.g., TEKS) and industry-recognized certifications.
- Created, reviewed, and refined critical instructional artifacts including blueprints, storyboards, and interactive lesson content.

Senior Learning Program Manager & Curriculum Lead

SVB International Org. | Mumbai

June 2019 - Feb 2026

- Instructional Leadership & Mentorship:** Served as the instructional anchor, leading high-level design decisions and maintaining quality standards for onshore learning teams. Mentored instructional staff to ensure alignment with SME-led development models.
- Review, Approval & Governance:** Governed the review process for instructional artifacts, owning and updating "live" guideline documents as project requirements evolved to ensure cross-module consistency.
- Strategy Liaison:** Collaborated with Project Managers and senior stakeholders to align learning objectives with organizational technology standards, seamlessly managing design-level updates and rescoping needs.
- Operations & Logistics:** Orchestrated end-to-end logistics for high-stakes assessment cycles, achieving zero-error delivery and 100% compliance with international standards.

Digital Transformation Lead | Senior Technical Instructor

Sacred Heart Org. | Mumbai

June 2013 - May 2019

- Led the IT department, overseeing Instructional Design, hardware maintenance, and smart classroom tool implementation to facilitate seamless digital transformation.
- Designed and structured technical training materials, translating complex IT concepts into accessible, objective-driven learning modules for non-technical staff.
- Conducted regular training needs assessments (TNAs) and gathered post-training analytics to continuously refine delivery and maximize knowledge retention.

AWARDS & HONORS

- **Global Competition Mentor:** Recognized for "Outstanding Contribution" at Microsoft Office Specialist World Championships.
- **Top Tech-Savvy Facilitator:** Award for innovation in EdTech (Whiz Juniors).
