Career Objective-

Seeking a **challenging and impactful role** in a dynamic organization where I can leverage my **12+ years of expertise in education, pedagogy, teacher training, career guidance, and project management** to **enhance learning outcomes, strengthen institutional capacity, and drive organizational growth**. I aim to contribute through **innovative strategies, effective program implementation, and capacity-building initiatives**, while continuously growing professionally and delivering measurable impact.

Professional Experience-

Vikramshila Education Resource Society (Supported by UNICEF) – Career Guidance Programme

Divisional Coordinator cum Counsellor | Aug 2023 – Till date

Key Roles & Responsibilities:

- Led **state-level Training of Trainers** for Nodal Teachers, DIET faculty, and Government School Principals to strengthen career guidance delivery.
- Established **Career Hub rooms** across 4 districts (Gonda, Bahraich, Balrampur, Shravasti) and conducted **personalized counseling** for Grades 9–12, guiding students in stream selection and higher education choices.
- Organized **career fairs, PTMs, and virtual expert sessions**, providing students with insights on universities, competitive exams (NEET, IIT JEE), and employment opportunities.
- Conducted **career assessments and psychometric tests**, including Tamanna Aptitude Test, to identify students' skills, interests, and alternative career pathways.
- Monitored school progress and evaluated program impact; assisted in **resume building, content development**, and training of state- and district-level trainers.
- Facilitated **college- and district-level career fairs**, scholarship guidance, and financial aid applications, ensuring smooth student enrollment and access to opportunities.
- Collaborated with **district authorities, educational institutions, and organizations** to streamline communication, reporting, and advocacy.

- Supported development of **career guidance teacher manuals and student activity workbooks**; tracked student outcomes and readiness for higher education and employment.
- Maintained regular liaison with **DIOS, Principals, Nodal Teachers, DIETs, polytechnics, engineering colleges, ITIs, and employment offices** for timely career-related information dissemination.
- Ensured **annual scholarship grant finalization**, process optimization, and regular updates to Class 12 students on scholarship opportunities.
- Conducted **Exposure visits** of Students and Teachers in Institutions according to Career Interests of students.
- Conducted **one to one and cohort based counselling of students, supported them to fill the forms online.**
- Supported **drop out students / Physical challenged students** in the admission in new classes.
- Conducted and Supported **Best practices** by the teachers in all **4 districts** with the support of DIOS office.
- Collected **case studies** of students from all 4 districts.

Tata Motors Ltd – CSR Project by Ex-Navodayan Foundation
Project Executive | May 2022 – July 2023

Key Responsibilities & Achievements:

- Ensured **smooth project deployment** across Navodaya Vidyalayas (NVS) in UP and Uttarakhand, liaising effectively with the Deputy Commissioner and four Assistant Commissioners at the Navodaya Regional Office, Lucknow.
- Oversaw the **implementation of digital/virtual studio classrooms**, mentorship, fellowship programs, and scholarship initiatives for students.
- Facilitated **capacity building workshops** for Principals, Teachers, Stakeholders, and Alumni to strengthen project impact.
- Coordinated with government school teachers, NGO partners, and agencies to **monitor project progress**, organize periodic reviews with TML and government officials, and provide timely updates at JNV HQ and regional/zonal levels.
- Conducted **regular field visits** to JNV zones and schools to supervise the **Automotive Skill Labs Program**, ensuring smooth implementation and guidance for automotive teachers.
- Maintained **project progress trackers** and prepared concise updates for senior officials from government and Tata Motors.
- Engaged with the Tata Group, alumni, and sector experts to conduct **mentorship programs**, enriching student learning and career guidance.
- Supported **scholarship program management**, including documentation, reporting, and tracking eligible candidates for UP and Uttarakhand JNV students.
- Regularly updated the **Deputy Commissioner on scholarship** initiatives and sought administrative support to maximize student participation.

CARE India – State TRL Coordinator
Jul 2020 – Apr 2022

Key Responsibilities & Achievements:

- Guided teachers in **lesson planning, Science & Maths experiments**, and effective use of TRL kits; promoted **STEM, technology, and robotics initiatives**.
- Organized **school-level events, workshops, exposure visits, and STEM Melas**; facilitated **cluster meetings** and mentored students for improved engagement.
- Identified **training needs** and supported **design & delivery of teacher/DIET faculty training modules**; conducted select sessions.
- Developed **teacher handbooks, project books, mentoring themes, and cluster meeting agendas**; documented events, workshops, and exposure visits; created **case studies**.
- Conducted **15–20 monthly field visits**, classroom observations, and teacher/student assessments; maintained MIS and timely program updates.
- Liaised with **Principals, DIETs, BSA, BEOs, ABRCCs, DCs, and other stakeholders** to monitor progress, share updates, and implement best practices.
- Coordinated with **agencies, organizations, and PRI members** to leverage resources and ensure effective and sustainable TRL functioning.

Agastya International Foundation – Teacher Educator
Dec 2014 – Jun 2019

Key Responsibilities & Achievements:

- Conducted **teacher training at block level** and provided guidance on **lesson planning, experiments, and hands-on activities** for students.
- Organized **summer/winter camps, workshops, exposure visits, and school-level events** to enhance student learning and engagement.
- Facilitated **parent meetings** to raise awareness on education and learning practices.
- Delivered **need-based classroom demonstrations** and observed classes using structured tools for monitoring and feedback.
- Coordinated with **Principals, DIETs, BSA, BEOs, ABRCCs, PRI members, and other agencies** to share updates, address challenges, and leverage resources.
- Maintained **timely reporting and documentation** for project activities and updates.
- Liaised with **government education departments** to ensure smooth implementation and alignment with educational initiatives.
