Work Experience

Academic Operations Manager

Emversity

04/2025 - 07/2025

Student Experience & Academic Delivery:

Ensure a high-quality, consistent student experience nationwide by managing academic scheduling, class execution, and faculty coordination.

Central Operations Management:

Run the central “control tower” to oversee timetables, allocate faculty, monitor academic calendars, and troubleshoot operational issues across multiple centres.

Standardization & Compliance:

Design and enforce scalable SOPs, playbooks, and compliance frameworks; conduct academic audits

Languages

- Hindi
- English

and support onsite teams in closing operational gaps.

Stakeholder Coordination:

Act as the single point of contact between HQ teams, campus heads, industry partners, and centre managers to ensure seamless communication and timely resolution of issues.

Data-Driven Improvement:

Track KPIs via dashboards, perform root-cause analysis, and drive continuous improvement through optimisation plans.

Planning & Execution:

Support curriculum plans, monitor session coverage, track attendance, and ensure smooth execution of academic operations with minimal disruption to students.

Placement & Internship Tracking: Monitor student placements, internships, and career support initiatives; build industry linkages and ensure effective execution of employability programs.

Industry Engagement:

Plan and track industry visits, guest lectures, workshops, and corporate partnerships to enrich student learning and career readiness.

Collaboration & Ownership:

Work closely with academic, campus, placement, and leadership teams to implement structured execution, drive engagement initiatives, and deliver on organisational goals.

Academic Operations Manager

Sunstone Education Technology Pvt Ltd

05/2022 - 04/2025

Operations Management:

Ensuring smooth execution of academic schedules, sessions, events, and communication. This involves managing the daily operations of the campus and coordinating with different teams and college administrators.

Student Engagement:

Driving initiatives to enhance student experience, including community activities, clubs, hackathons, and speaker sessions.

Coordination:

Acting as a point of contact between students, faculty, and external mentors to facilitate smooth delivery of programs and services.

Experience Design:

Contributing to the design and improvement of the student journey, both academically and socially.

Issue Resolution: Addressing student queries, feedback, and escalating logistical issues.

Reporting & Feedback:

Maintaining records of campus activities, tracking student engagement, and providing insights for improvement.

Relationship Management: Building and maintaining relationships with institutional partners.

Budget Management: Managing campus budgets and resources
