Experience Summary

Oxford University Press India, Jan 2025 till date

Freelance Editorial Product Consultant

L&T EduTech (under the aegis of *Larsen& Toubro ECC*), July 2023 to Aug 2024

Senior Manager—Content Quality Assurance (e-learning content for upskilling domain)

- Had been managing a team of 15 content quality control associates and 5 IP (Copyright) associates.
- Monitored error patterns during the progression of a course and arrived at a solution model through standard statistical analyses to reduce errors for continuous improvement.
- Acted as a coach in mentoring all the associates to identify errors in alignment, images, animations, graphics, audio narration, and language.
- Worked with *Instructional Designers, Articulate Storyline Developers, Asset Developers, and Media Editors* to ensure the closing of the identified errors.
- Provided the final sign-off for all the content ingested into the LMS.

The Journal of Visualized Experiments (JoVE) (Dec 2021 to April 2023)

Content Acquisition Manager/Editor

- Scouting, recruiting, and contracting the global research community to contribute to our product line, the Encyclopedia of Experiments, in the subject area of *Immunology*.
- Scouting and recruiting *Guest Editors* and *Authors* for launching their *Methods Collection (Special Issues)* in the subject areas of *Medicine, Bioengineering, and Genetics* to ensure submissions to the journal.

McGraw-Hill (Nov 2019–Nov 2021)

Portfolio Manager (Products)

- Frontlist commissioning for Civil Services Exams segment (UPSC / State Services) in English and other vernacular languages of India. Have managed some of the popular authors in the segment.
- Reprint decisions and list management for Sciences/Biosciences from McGraw-Hill's U.S., originals.
- Negotiating and issuing publishing contracts to clients/customers (academicians/researchers/bureaucrats)

Oxford University Press (Mar 2007–Aug 2019)

Commissioning Editor (June 2015–Aug 2019)

- Had been primarily focusing on developing **CS/EC** courses during this period

Asst. Commissioning Editor (June 2011–May 2015)

- Had been focusing on **Mechanical/Civil** titles during this period.

Associate Development Editor (June 2009–May 2011)

Acquisitions Editor (March 2007–May 2009)

- Had been focusing on all areas of **Engineering** and **PGDM (MBA)** titles during this period.

Vijay Nicole Imprints (Jan 2004–Jan 2007)

Acquisitions Editor

- Involved in conducting peer reviews and developing more than 60 titles in engineering, sciences, management, and commerce.

Vikas Publishing House (Dec 2002–Dec 2003)

Jr Acquisitions Editor

- Assisted senior editors in curriculum mapping of content.

Freelance works:

- Have done freelance *Development Editing* work for the Class VIII *Computer Science* course (DBMS) for *Collins Education (Harper Collins)*, Delhi, from Sept-Oct 2019.
- Freelance proofreading and quality checking for EDEEYOU, Kerala.

Coursera Certifications:

- **Instructional Design Foundations and Applications** from the Department of Education, *Illinois University*.
- **IBM Product Manager Program**
 - Product Manager: An Introduction
 - Product Management: Foundations and Stakeholders Collaboration
- **Protecting Business Innovations via Patent** from *The Hong Kong University of Science & Technology*.
- **Google: Foundations of UX Design**

Other certifications:

- **21st Century Teaching & Learning Skills** by NPTEL, IIT-Madras.
- **Introduction to Instructional Design** by NPTEL, IIT-Madras.

Outcomes of the courses:

- Got an overview of these topics to such an extent that I will be able to interact with the relevant teams, learn further through practice, and collaboratively develop a prototype learning product.

Tools Knowledge:

MS Office Suite, MS Outlook, Editorial Manager™, SmartSheet™, Canva.

Education

B. Tech (Chemical Engineering) from the University of Madras during 1997–2001 with first class.

Diploma (Process Instrumentation and Control) from Annamalai University, TN, during 2001–02 with first class
